Brilliant HIGH GLOSS ACRYLIC

Rauvisio Brilliant by Rehau offers the highest quality in high gloss. Our boards feature double sided high gloss acrylic surfaces laminated onto a super refined MDF in a PUR cleanroom environment to ensure ultra smooth contact and a mirror like reflective quality. The Acrylic surface not only gives an outstanding depth effect, and batch to batch color consistency, but also guarantees UV stable consistent color that lasts 20+ years without fading or yellowing.

COORDINATED MATERIALS BOARD
