Hardstop

Hardstop™ Decorative Protection Panels by Formica Group offer an excellent solution for high-performance wall panels by blending ease of installation and impact resistance. Unlike laminate that contains a paper core, HardStop™ Panels feature a treated fiberglass core for added durability, strength and Class A fire rating. HardStop™ Panels are a commercial match to standard HPL and is available in all Formica® Brand colors and patterns. Complete the look of your HardStop™ installation with coordinating seam treatments.

PRODUCT FEATURES

- Durable, Wear, & Impact Resistant
- Scratch, Stain, Water, and Chemical Resistant
- Easy to Clean & Maintain
- Available in all standard Formica Laminates

LAMINATE
