# TERRA 10FT *Textured* HPL

Rauvisio Terra by Rehau is an extremely durable, deeply textured woodgrain surface made from HPL rather than melamine paper. The components feature double-sided woodgrain with matching Rehau edgebanding. The Terra laminates are pressed, both identically front and back onto MDF or particleboard, providing a perfectly balanced panel.

A soft touch finish sets it apart from other products

Impact resistant HPL increases durability over melamine

## COORDINATED MATERIALS

### BOARD

- SHEET SIZE  
48" x 120"
- THICKNESS  
19mm (3/4")
- DOUBLE SIDED
- HPL SURFACE

### HPL/SKIN

- SHEET SIZE  
51" x 120"
- THICKNESS  
.9MM

### EDGEBOARDING

- 328' LONG ROLL
- THICKNESS  
1.3 MM
- WIDTH OPTIONS  
23MM
- BANDING: ABS, Laser, or Hot Air

### DOORS

AVAILABLE IN 3 STYLES

Completely custom door and drawer solutions.
