Artika & Rain COLLECTION

Scan here to see
product details from
Stevenswood.

The full line of Artika by Stevenswood is available as part of our coordinated surfaces line with Perfectly Matched: Board, Skins/HPL, Edgebanding, and Made to Order Doors available in three styles. Artika is a wide linear embossed texture that is available in 23 on trend woodgrain patterns. Feel good about your design and manufacturing choice – core that is made from recycled materials no added formaldehyde.
